Cost of the Retreat: The retreat has a two part fee.

1. The Marie Joseph Center fee for room and board is \$325, payable with submission of your application.
2. Vajra Dakini office does the planning and administration for the retreat as well as supports Khenmo's study and preparation for this retreat and all of her work. For example, in preparation for this retreat Khenmo is attending a third and final teacher training with HH Drikung Kyabgon Chetsang Rinpoche in Nepal. Your donation supports this teacher training. We invite donations, with your understanding of the realistic costs of running our office and teacher preparation. This donation is offered at the close of the retreat.

Your application will not be processed until we receive half payment (\$325), either through the Vajra Dakini Nunnery website or by snail mail. (<https://vajradakininunnery.org/support/#donate>): Our website directs you to PayPal where you can use your personal credit card or paypal account.

OR, by mailing a check or money order to:

Vajra Dakini Nunnery
PO Box 6135
Falmouth, ME 04105

Checks/money orders should be made payable to VAJRA DAKINI NUNNERY. Payment must be in US funds, drawn on a US bank. At this time, we are unable to accept credit card payments other than through our online PayPal account.

Applications and full payment (\$325) are due by Feb 28, 2020. Late applications will be considered on a space-available basis. Applications will be accepted only by email or US mail, not by phone or fax.

There are no pre-requisites for this retreat; however, in some cases, a phone interview may be conducted with the teacher prior to determination of suitability for this type of practice. If your application is not accepted for this retreat, your payment will be returned in full.
