In addition to answering the following questions, you will need to provide a letter of recommendation from your Abbess or teacher. Your application will not be considered complete until we have a letter of recommendation. If more than one nun is applying from a single nunnery, then it can be a group letter of recommendation.

Please either complete this form online at <https://vajradakininunnery.org/application/>

Or you can type in this document or print and complete by hand. It is preferable to scan the printed and completed document, but if you do not have access to a scanner, you may send a photograph of the document as long as everything is clearly marked. You can submit this form and your letter of recommendation either by email to [vajradakinireg@gmail.com](mailto:vajradakinireg@gmail.com) or by mail to:
